ON-PREMISE

Welcome to Tea Forté.

As a tea aficionado by passion, and product designer by profession, my goal in founding Tea Forté has been to create the contemporary tea experience.

Gracefully melding the Zen simplicity of the Asian experience, the warmth of the European tradition and tossing in the festive entertaining spirit that is uniquely American, Tea Forté is defining the new standard for prestige service in over 35 countries.

The cornerstone of Tea Forté is our extraordinary teas. We offer only the finest teas and innovative blends of the choicest leaves, herbs and botanicals sourced from the world's premium gardens.

Our obsession with quality results in a more flavorful cup, deliciously aromatic, and full of healthful properties. Our teas are available in our signature leaf-topped pyramid infuser, loose format, filterbags, iced and for infusing cocktails.

We look forward to helping you tailor a tea program that will delight your guests with extraordinary teas and an enchanting presentation, creating a truly unforgettable experience.

Regards,

Peter Hewitt, Founder & CEO
